1. Welcome

2. Guest Speaker - UIC Library
   a. Rosie Hanneke
      She spoke on some resources provided by the library which includes
      i. How to get a librarian specific to your department
         https://ask.library.uic.edu/faq/348605
      ii. Help with citation managers
      iii. Free access to the New York times and other databases for students
         https://researchguides.uic.edu/az.php

3. Guest Speaker - United Support Network
   a. Hanna Ghalyoun and Demetrius Robledo
      i. Spoke on the aim and objectives of the group
      ii. Trained students in the psychology department act as peer support
         https://www.unitedsupportnetwork.org/

4. Take Care of Our Flames Initiative
   a. An initiative to support student mental health through community
      programming and campus-wide intervention.
b. GSC will host one event in line with the initiative that supports graduate students' mental health.

c. The event will be taking place between mid-February to mid-March.

d. The event will include tool kits like calm, headspace, etc that GSC will share with grad students.

e. Other event ideas shared include the issue of self-care gaslighting by faculty, assignments that are due immediately after breaks, and support and resources for international students.

5. **Spring Semester Announcements**
